

NATIONAL ASSOCIATION FOR UNIFORMED SERVICES

There IS such a thing as a Free Lunch!

Represent NAUS at any on-base event (military retiree appreciation day, transition or retirement seminar, welcome home for a unit, etc.) and if you enroll three or more new members, we'll buy you lunch!

NAUS will reimburse member up to \$15 for a meal on the day of the event. Simply take your original lunch/meal receipt, and on the back write your member number, the words "Free Lunch," and the date/name/location of the on-base event you attended, and mail to NAUS along with the fully paid membership applications from the new members, and we'll send you a check. Limit one Free Lunch per member per month.

If you need NAUS membership brochures or other member recruiting materials, they can be ordered from NAUS Headquarters (contact the Association Secretary Mike Boone or Director of Chapter Management Jack Chmielewski, or by phone at 800-842-3451), and many are also available for downloading on the NAUS website Chapter Resources section [here](#). And remember to take a few photos and submit them for the Chapter News section of the Uniformed Services Journal!
